Dear Sir or Madam:

This letter is in response to your request for affirmation of your organization's exempt status.

In June 1985 we issued a determination letter that recognized your organization as exempt from federal income tax under section 501(c)(6) of the Internal Revenue Code. That letter is still in effect.

If your organization's character, method of operation, or purposes change, please let us know so we can consider the effect of the change on the organization's exempt status. Also, your organization should inform us of all changes in its name or address. the delay.

Because your organization is not one described in section 170(c) of the Code, donors may not deduct contributions made to it. You should advise your organization's contributors to that effect.

As this letter could help resolve any questions about your organization's exempt status, you should keep it with your organization's permanent records.

Please direct any questions to the person identified in the heading of this letter.

This letter affirms the exempt status of your organization.

Sincerely,

C. Ashley Bullard  
District Director
